Sing, et al, Plaintiffs vs.
Kessler, et al, Defendants
Civil Case No. 3:17-cv-00072

DEPUTY CLERK

October 26th Sworn Declaration of
Christopher Cantwell Regarding
Juror Racial Discrimination Allegations

I, Christopher Cantwell do aver, under
penalty of perjury that the following
is true and correct, on this 26th day
of October 2021.

- 1) My name is Christopher Cantwell, and I
am an indigent, incarcerated, pro se Defendant
in the above styled case.
- 2) When I am not incarcerated, I make
100% of my income hosting a live,
uncensored, open phone talk radio
show.
- 3) As a professional talk show host of
this type, I speak, and move to the
point, LISTEN, for a living.
- 4) In my profession, the voice tells
everything.
- 5) On October 25th I participated
in jury selection.

- 6) During one of the jury pools I detected deception in the speech patterns of two jurors, one white, one black.
- 7) This perception had nothing to do with the race of either juror. I would have made the same observation had I been participating by phone, without the benefit of sight.
- 8) Specifically, the jurors answered certain questions as though they were telling a sarcastic joke. It was analogous to the times Plaintiff's Counsel Michael Bloch would begin a phone call with me in prison by saying "Chris! How you doing?" and I'd say "I'm doing fantastic, Mike, thanks for asking!" When in fact, I do not particularly enjoy prison, and have, for years, admonished radio callers for using an inquiry of wellbeing as a greeting.
- 9) Before the Plaintiff's challenge of our peremptory strike, race did not factor into my deliberations with my codefendants about either juror.

Having so agreed, I sayeth no more under oath.

Respectfully Submitted,
Christopher Cantwell
